Sir:

In compliance with the duty of disclosure under 37 CFR § 1.56, the attached form and documents indicate information of which the applicant(s) has/have recently become aware and which may be relevant to the above-identified application.

The information is in the form of references, which have been cited in an Office Action from the German Patent Office, as a foreign counterpart to the present application, the Office Action being dated March 23, 2006. A copy of the German Office Action (not translated but included to indicate the date thereof) and copies of the references cited therein are attached. A corresponding English language document has been provided for one of the German citations.

It is further submitted that in indicating that the references have been cited in a counterpart foreign patent application, the applicant has fulfilled the requirement for a statement of relevance, as set forth in the Manual of Patent

Examining Procedure. Therefore, consideration of the references is appropriate and required under USPTO practice.

The Examiner is requested to acknowledge consideration of the references by initialing the attached Information Disclosure Citation form (PTO/SB/08A) and returning a copy thereof to the applicant(s).

37 CFR § 1.97(e) Statement. Each item of information contained in this Information Disclosure Statement was first cited in a communication from a foreign patent office in a counterpart foreign application not more than three months prior to the filing of this information disclosure statement.

Signed, 
Paul A. Guss

Dated: April 21, 2006

This IDS has been submitted after mailing of a final Office Action on the merits. In light of the statement above, consideration of this information is proper with payment of the IDS fee (180.00). Any fees are due in connection with this or any accompanying communication may be charged to the Attorney's Deposit Account No. 07-2519.

Respectfully submitted,

Paul A. Guss
Attorney for Applicants
Reg. No. 33,099
